

Township of Wainfleet
OFFICIAL LIST of
REGISTERED THIRD PARTY ADVERTISERS

Recent changes to the Municipal Elections Act, 1996, have created a framework of rules for third party advertising. Prior to 2018, third party advertising was not regulated for municipal council and school board elections. Those who wanted to advertise or distribute materials supporting or opposing a candidate did not have to identify themselves, were able to spend unlimited amounts of money and did not have to report their advertising or financial activities to anyone.

An individual, corporation or trade union can register to be a third party advertiser. A third party advertiser can support or oppose any candidate or candidates who will be voted on by the people in that municipality. This includes candidates running for local council, school trustee and candidates running for offices of an upper tier council.

All Third Party Advertisers are registered by the Clerk beginning on May 1, 2018 and can register until close of business (4:30pm) on Friday, October 19, 2018.

The most current listing of Third Party Advertisers that have filed the appropriate paperwork is available for public viewing at the Township of Wainfleet Municipal Administration Building, 31940 Highway 3, Wainfleet, during regular office hours from 8:30 am to 4:30 pm, Monday to Friday, holidays excepted.
