NOTICE TO RESIDENTS AND PROPERTY OWNERS REGARDING NOXIOUS WEEDS

May 1, 2019

The Township of Wainfleet hereby gives notice, pursuant to the Province of Ontario's Weed Control Act, R.S.O. 1990, c.W.5, to persons in possession of property not exceeding ten (10) acres in size that unless noxious weeds and weed seeds thereon are destroyed by the 1st day of June, and throughout the season, that the municipality may otherwise enter the property and have the weeds or weed seeds destroyed and charging all the costs thereof against the land as set out in the Weed Control Act.

The main purpose of the Weed Control Act is to reduce the impact of noxious weeds on the industries of agriculture and horticulture, to reduce plant diseases and to reduce health hazards caused by poisonous plants.

The co-operation of all residents and property owners would be greatly appreciated.
