Residents of Beach Rd W

Re: May 27 & 28, 2024 Work on Beach Rd W

Dear Resident

It has been brought to my attention that the residents on Beach Rd W have received a notice from Walker Bros. yesterday afternoon informing them that the road will be closed off on May 27 & 28, 2024 from 7am – 5pm.

Belleview Beach Rd is declared a “No Parking” road on both sides at all times, and Council has not lifted those requirements for this construction, however Beach Rd E and Hill Avenue do not have parking restrictions and although it is not optimal this is a solution, it is request that vehicles get parked on those roads.

To ensure that Parking Penalties are not issued please follow these regulations on Hill Ave and Beach Rd E.

- Do not block a driveway.
- Do not block a lane of travel.
- Do not “park left to curb” or facing the wrong direction.

I understand your garbage day is Monday, please contact the Region of Niagara Waste Info Line to discuss alternatives, they can be reached at 905-356-4141 or toll free at 1-800-594-5542- Monday to Friday from 8:30am – 5:30pm.

Respectfully,

Mark Tardif, C.P.S.O, MLEO (C)
